AZÚCARES
SUGARS

El eritol que utilizamos proviene del maíz de producción ecológica, gracias a la fermentación de la dextrosa, un azúcar presente de forma natural en los granos de maíz.

The erytol we use comes from organic corn production. It's made from dextrose fermentation, a naturally occurring sugar present on the corn grains.

Nuestra fábrica de Chocolates Torras
se encuentra a unos 100 km al norte de
Barcelona, en España.

Estas modernas instalaciones cuentan con la
última tecnología y cumplen con los más
altos estándares de calidad, lo que nos
permite seguir elaborando nuestros
chocolates de alta calidad con la misma
pasión y dedicación que nos ha caracterizado
durante más de 130 años.

*Our Torras Chocolate factory is located about 100 km
north of Barcelona, in Spain.*

*These modern facilities have the latest technology and meet
the highest quality standards, allowing us to continue making
our high-quality chocolates with the same passion and
dedication that has characterized us for over 130 years.*
