

The taste of 100% natural fruit
El sabor de la fruta 100% natural

We are a family company with more than 50 years of history dedicated to fruit production (apples and pears) in Girona (Spain). From our home-grown fruit harvested in our orchards, we elaborate Anela's fruit purees.

Our origins go back to 1960 when Esteve and Teresa started with its stand market in Girona, a village in the north-east of Spain, where they sold fruits and eggs. After years of exclusively selling and distributing fruit and vegetables, they decided to grow the fruits themselves.

In 2006 they launched Anela's fruit purees, an innovative alternative of getting the whole family to eat fruit in an easy, convenient and healthy way. Made with home-grown apples, Anela Fruits is only 100% natural fruit, without added sugar, preservatives or additives.

Over sixty years of love, effort and enthusiasm, Anela Fruits has been really consolidated all over Spain and exporting in more than 20 countries. The values of passion, enthusiasm, quality, and hard work were passed on three of their sons who have taken the reins of the company.

Somos una empresa familiar con más de 50 años de historia dedicada a la producción de fruta (manzanas y peras) en Girona (España). A partir de nuestra fruta de cosecha propia, elaboramos los purés de fruta Anela.

Nuestros orígenes se remontan al 1960, cuando Esteve y Teresa empezaron vendiendo fruta y huevos en un stand del mercado en Girona, una ciudad al nordeste de España. Después de años de vender y distribuir fruta y vegetales, decidieron dedicarse exclusivamente al cultivo de manzanas y peras.

En 2006 lanzaron los postres de fruta Anela Fruits, una forma innovadora de conseguir que toda la familia coma fruta de una forma fácil y saludable. Elaborado con manzanas de cosecha propia, Anela Fruits es solamente fruta 100% natural, sin azúcares añadidos, ni conservantes, ni ningún tipo de aditivos.

Después de sesenta años de amor, esfuerzo i entusiasmo, Anela Fruits se ha consolidado por toda España y actualmente exportamos a más de 20 países. Los valores de pasión, entusiasmo, calidad y esfuerzo han sido transmitidos a tres de sus hijos, quienes han tomado las riendas de la empresa.
